Guidance and Discipline Policy Statement

Kensington School's philosophy of guidance is to provide a nurturing classroom environment in which children are encouraged to model their teacher's positive behavior. Kensington School's philosophy encourages communication and cooperation through positive reinforcement.

Children will be encouraged toward appropriate behavior through positive tones of voice and praise. Misbehaving will be met with a verbal reminder of accepted behavior and redirection toward more positive actions. Throughout the day, the children will be encouraged to remember the following five rules: Eyes Watching; Ears Listening; Hands Still; Brain Thinking; Heart Caring.

Children whose behavior endangers others will be supervised away from the other children while processing the problem. Time Outs are never used at Kensington School. Children will not be embarrassed for toilet accidents.

Serious inappropriate or disruptive behavior will be discussed with the parents, either in a telephone conversation or a conference, at which time a plan for resolving this behavior will be put in place. Since discipline is the responsibility of the adults who have an ongoing relationship with the child, when there is a specific plan for unacceptable behavior, all staff who affect the child shall be aware of and cooperate with the plan. If problematic behavior management plans are developed to meet the needs of a particular child, all staff working with the child shall receive training on implementing the plan.

The following forms of discipline are prohibited in our schools: any kind of corporal punishment, withholding (or threatening to withhold) food, abusive or profane language, any kind of humiliation, any form of emotional abuse i.e. shaming or isolating a child.

DISCHARGE POLICY:

A child may be discharged from the school due to any of the following:

1. If it is determined that the child is disruptive, uncooperative, or in any way disturbs the other children or the program.
2. If it is determined that the child's needs are not being met at the school.
3. If the parent does not comply with the policies of the school such as: fees not paid on time, child not picked up on time, etc.

The Director and the staff will work with the child and parents to attempt to arrive at an amicable solution to any problem. If all avenues of intervention have been unsuccessful, the school will offer assistance in locating suitable alternate care. Parents will be given ample time to visit and secure placement for their child. Discharge will occur as a last resort.

I have read and agree to comply with the school's policies regarding discipline and discharge.

Late Pick-Up Policy Statement

FOR OUR PART-DAY STUDENTS, children may be picked up 10 minutes before to 10 minutes after the scheduled ending time for the class. Parents will be required to pay a late pick-up fee of \$5.00 if the parent is ten minutes late or less. If the parent is more than ten minutes late, the fee is a dollar per minute thereafter. This late fee is per family, not per child, and is payable to Kensington School. The fee can be added to your account or may be paid by check on that date. Please be aware that this policy will be enforced regardless of weather or any unexpected circumstance. If a parent is later than fifteen minutes picking up a child and has not called, the closing director will begin to contact the child's emergency contacts.

FOR OUR FULL-DAY STUDENTS, our school is open at 7:00 a.m. and closes promptly at 6:00 p.m. The parent of any child remaining in the school after 6:00 p.m. will be required to pay a late pick-up fee of \$5.00 if the parent is ten minutes late or less. If the parent is more than ten minutes late, the fee is a dollar per minute thereafter. This late fee is per family, not per child, and is payable to Kensington School. The fee can be added to your account or may be paid by check on that date. Please be aware that this policy will be enforced regardless of weather or any unexpected circumstance. If a parent is later than fifteen minutes picking up a child and has not called, the closing director will begin to contact the child's emergency contacts. If a child's parent has not arrived by 6:10 p.m., the closing staff will begin attempting to contact the child's parents to determine the estimated time of arrival. At 6:15 p.m., if these attempts are unsuccessful, the closing staff will begin contacting the emergency contacts provided by the parents to arrange for them to pick up the child. At 7:00 p.m., if all attempts to reach the parents and emergency contacts are unsuccessful, the closing staff will contact the school director and notify her of the situation. The closing staff will then contact the police for assistance.

It is the responsibility of the parents to ensure that the school has current contact information for their emergency contacts at all times. Emergency contact information must be on the child's enrollment form and contingency form. If a parent is late, our staff will diligently call all phone numbers for parents and emergency contacts. If we are unable to reach any contacts, we will have to notify the police department.

Our teachers will maintain a positive, caring atmosphere for the child during this time and ensure that the child is comfortable, reassured and not in any distress. Our teachers will only discuss the issue with a parent or emergency contact, never with the child.

I have read and agree to comply with the school's Late Pick-Up Policy.

Dear Parent, Guardian, or Staff Member:

Kensington School practices Integrated Pest Management (IPM), an approach to pest control that reduces pest populations while minimizing pesticide applications. If, after trying non-chemical and least-toxic means to control a current pest problem, and a pesticide has been deemed necessary, applications will be scheduled for Friday afternoons whenever possible.

We will notify and/or post any needed pesticide applications for your review. The term pesticide includes insecticides, herbicides, rodenticides and fungiides. If you have any questions or comments, please contact the school Director.
Thank you for your cooperation.
